

BBH District PSO Council Meeting Minutes May 2, 2024

PSO Council is a meeting for sharing information and learning about our schools and our district. We encourage you to engage in responsible conversation and healthy discussion on issues to promote better education for children. Personal agendas are not welcome at Council. We will gladly direct you to the appropriate resource to help you after the meeting. Please respect each person’s time on the agenda.

PSO Council President Denise Gawlik called the meeting to order at 9:31am. The pledge of allegiance was said. The meeting was adjourned at 10:45am.

What is this you ask?

BBH District PSO Council Meeting Minutes

May 2, 2024

Curriculum Navigation Reports are summaries of intensive curriculum examinations on the most widely used curricula in the U.S.

- o They are based on The Reading League's [Curriculum Evaluation Guidelines](#) (CEGs), which are derived directly from scientific research

- o They highlight any non-aligned practices as "red flag" practices that may hinder student progress

- o Before this launch, all we had was EdReport, which serves an overarching purpose for reading curricula review, however we now had a tool that provides much more detailed information

- o At least one of the ELA resources we are considering has already received positive readings in the Reading League's Curriculum Navigation Reports

- Notification to parents regarding SB 288 (Erin's Law), with the ability to opt-out, was sent to K-5 parents last week.

- o SB 288, known as "Erin's Law" requires that school districts provide students in grades K-6 developmentally appropriate instruction on child sexual abuse prevention, including information on available counseling and resources for children who are sexually abused. Additionally, SB 288 requires that students in grades seven through twelve receive developmentally appropriate instruction in dating violence prevention education and sexual violence prevention education, which must include instruction in recognizing dating violence warning signs and characteristics of healthy relationships

- o Notification to parents of sixth

In suburban districts, teacher attrition was 7%, up 1.7% from the five-year average. Additionally, enrollment in Ohio’s teacher preparation programs dropped 19% in five years. That may seem like bad news, but BBHCSD is currently conducting interviews and both the quality and quantity of candidates are outstanding! Teachers want to come here! This is just another example that we are a destination district! <p>From the Reading League:</p> <p>The Defining Guide defines the science of reading as “a vast, interdisciplinary body of scientifically- based research about reading and issues related to reading and writing. This research has been conducted over the last five decades across the world, and it is derived from thousands of studies conducted in multiple languages. The science of reading has culminated in a preponderance of evidence to inform how proficient reading and writing develop; why some have difficulty; and how we can most effectively assess and teach and, therefore, improve student outcomes through prevention of and intervention for reading difficulties.”</p> <p>https://www.thereadingleague.org/compass/educator-preparation-programs/</p>

Congratulations to all the students and coaches for another outstanding Robotics season. • We are in the middle of our state-wide testing with the Science test for 8th graders today (5/2) and then we will finish our state testing next week with all students taking the Math test (5/7 & 5/8). • Thanks to the PSO for another outstanding musical performance last month. Thanks to all who came out and supported and helped our students have a successful event. We are looking forward to next year's musical already. • The 8th graders are gearing up for our annual trek to DC starting on May 14th. Thanks to the staff and parents who are helping out by chaperoning the trip, without staff and parents we couldn't make this trip possible. • In conjunction with our Kick-it campaign we will once again have our food trucks on our campus in the front parking lot closest to Mill Road on June 3rd. Students will visit the trucks during the day and we will open it to parents around 1pm until 2pm. • We will conclude our school year on June 4th with an 8th grade clap out around 12:20pm. Parents can attend the clap out by greeting the 8th graders once they leave the building.

BBH District PSO Council Meeting Minutes May 2, 2024

**Elementary PSO Presidents - Mary Green
and Vanessa Caslow**

Present.

- Our 5th graders showcased their talents at our annual **5th Grade Variety Show** a few weeks ago. From singing to playing instruments to dancing and acrobatics, our 5th graders have talent! Thank you to the MS stage crew for their assistance and to the parent volunteers that coordinated the event.
- Our **sustainability** crew has been very busy on various projects. They have been working with the ES staff to supply resources like additional paper collection. We, the PSO, purchased Terracycle "zero waste boxes" for collecting pens, glue sticks/bottles, markers, etc. The team is also in-process of implementing beverage and food pouch recycling, with the goal to fully implement next year! **Earth Week** was also a huge hit with the kids. Each day, during recess students learned about a different theme which included live animals like turtles and chickens, and how to be good stewards of the planet. Thank you to them for putting together a nice week.
- This past Saturday we held a **Spring Celebration** that included our spring book fair, cultural art demonstrations, displayed art, and our first chalk fest. The book fair is always a popular event for our students. We would like to give special recognition to Miss Emily Boc, 1st grade teacher, and Miss Gianna DiGeronimo, 5th grade teacher for volunteering their personal time to come help as cashiers. Students love seeing their teachers at after-school events and we can't thank them enough for giving up their free time to help us ensure a successful event. Students were able to highlight their artistic talents either in the form of displayed art or by performing. We had dancers, musicians, and even some stand-up! Finally, the weather treated us kindly to host our first chalk fest. Students were able to again show off their talents by decorating our back lot. It's a beautiful rainbow of color back there!
- With book fair always comes **teacher wishlists**, which we are in the process of collecting from the staff. If you recall our coin war money will be used to purchase these books. The first graders received their first place prize for raising the most money - a **GLOW Lunch**.

	<ul style="list-style-type: none"> ● Our Staff Appreciation coordinator is at it again with a very creative F.R.I.E.N.D.S.-themed week planned for the staff at the elementary school. "The one where we appreciate our staff." Each day next week will feature a different TV-themed-episode with fun treats and activities! ● First grade is finishing up their 4th quarter Science DZ next week. It was great to reintroduce this popular program and thank you to the first grade team and volunteers for all their contributions. ● Jim Basketball Jones will take on BBHES...all in ONE DAY, next week Tuesday, May 7th. Each grade's education team selected their assembly theme. Themes include a positive mindset, leadership, kindness, and doing the right thing to name a few. ● Our EOY Bash, Friday, May 17th from 5:30pm-7:30pm. We'll have food trucks, a DJ, and games for families to relax and enjoy the end of the school year. (weather permitting) ● On May 22nd from 6:30pm-8:30pm we're hosting a Membership Appreciation event for our ES PSO members. The event will be at the new Primer Coffee/Cocktail and Wine bar at Valor Acres. Light appetizers will be served and there will be a cash bar for alcoholic and non-alcoholic beverages. We hope you will join us in celebrating all of you for being members of the PSO. ● Finally, we are supporting several EOY activities including kindergarten screening, Field Day, EOY Year Parties, etc etc etc!
